7 CRITICAL QUESTIONS

to understand the literacy needs
of your community.

1. What are your community member's attitudes and abilities related to reading?
2. What is your high school graduation rate?
3. What is the 6-year trend in your reading results (elementary, middle, high school)?
4. How much money and time are invested in reading intervention for students in grades 4 and up?
5. Do caregivers know how they can help their children read?
6. How much school time K-3 is spent teaching reading?
7. Is there a shared understanding among teachers of the instructional scope and sequence of Code-related and Language skills?
